CHANGES TO THE BID EVALUATION PROCESS

NOTE: Participation will be evaluated based on the base bid plus the selected alternates. Whenever possible, participation goals for alternates will be provided with the Invitation to Bid. In the event that alternates have not been identified in the Invitation to Bid, bidders will be responsible for submitting participation for alternates during the participation verification process completed by the Human Relations Council after the bid opening. Contractors will be notified of the participation goals for alternates and the deadline for submitting participation on alternates within one business day of the bid opening. THIS ONLY APPLIES TO ALTERNATES. BIDDERS MUST SUBMIT PARTICIPATION ON THE BASE BID BY THE BID SUBMISSION DEADLINE. If you have questions regarding the changes to the bid process, please contact Andrew Chow at (937) 333-1439.

A bidder must submit a separate form for each goal for which you are requesting a waiver. A bidder requesting a total or partial waiver of the, SBE/MBE/WBE/DLSB or HUD3 Participation Goal must maintain supporting documentation and will be required to provide such documentation within two days of its request. The bidder must provide a written explanation of the good faith effort for all activities listed on the waiver form at the time the bid is submitted. If no explanation is provided, the waiver form will not be accepted. The City of Dayton Human Relations Council (HRC) shall review and evaluate the bidder's efforts to meet and comply with the project participation goal. A bidder will be granted a waiver for the SBE/MBE/WBE/DLSB or HUD3 goal based on your good faith efforts; and only where the HRC determines that the bidder

has completed all items in the following list of activities. In determining whether a bidder has made good faith efforts, the Executive Director of the Council, or his/her designee, may take into account the performance of other bidders in meeting the contract. For example, when the apparent successful lowest and best bidder fails to meet the contract goal, but others meet it, the Executive Director of the Council, or his/her designee, may reasonably raise the question of whether, with additional reasonable efforts, the apparent successful bidder could have met the goal. The waiver request form must be submitted with your bid if you are requesting a waiver of any goal.
