The Do's and Do Not's When a Crime Happens

Do:

- Report crimes or possible crimes to the police.
 - If it is an emergency, call 911.
 - Otherwise, call 937-333-2677.
 - A report can be done online as well as by going to daytonpolicereports.com/apps/citizenreporting/
- Look through video footage if you have a camera. Detectives need all the information about when the crime occurred and if there is any suspect information.

Don't:

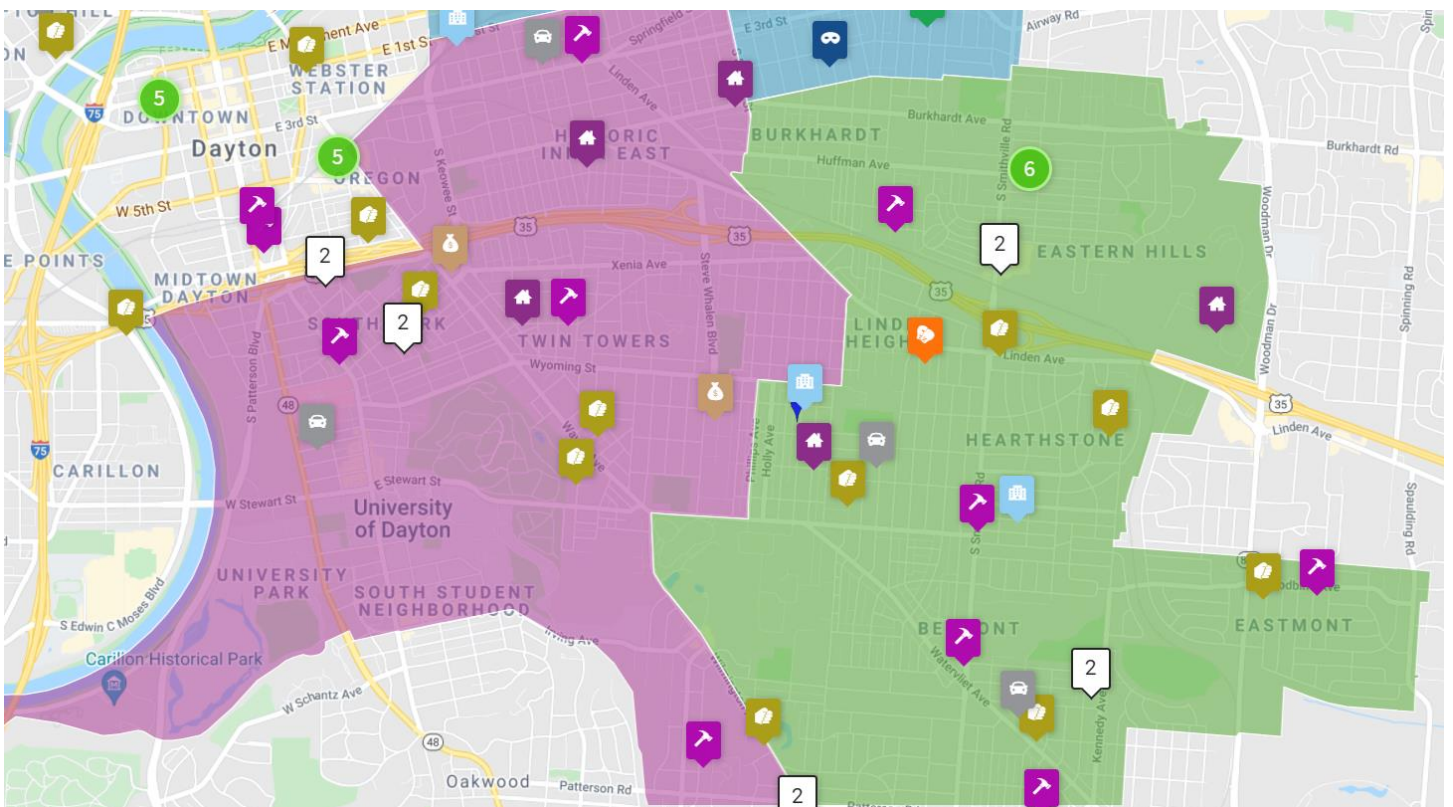

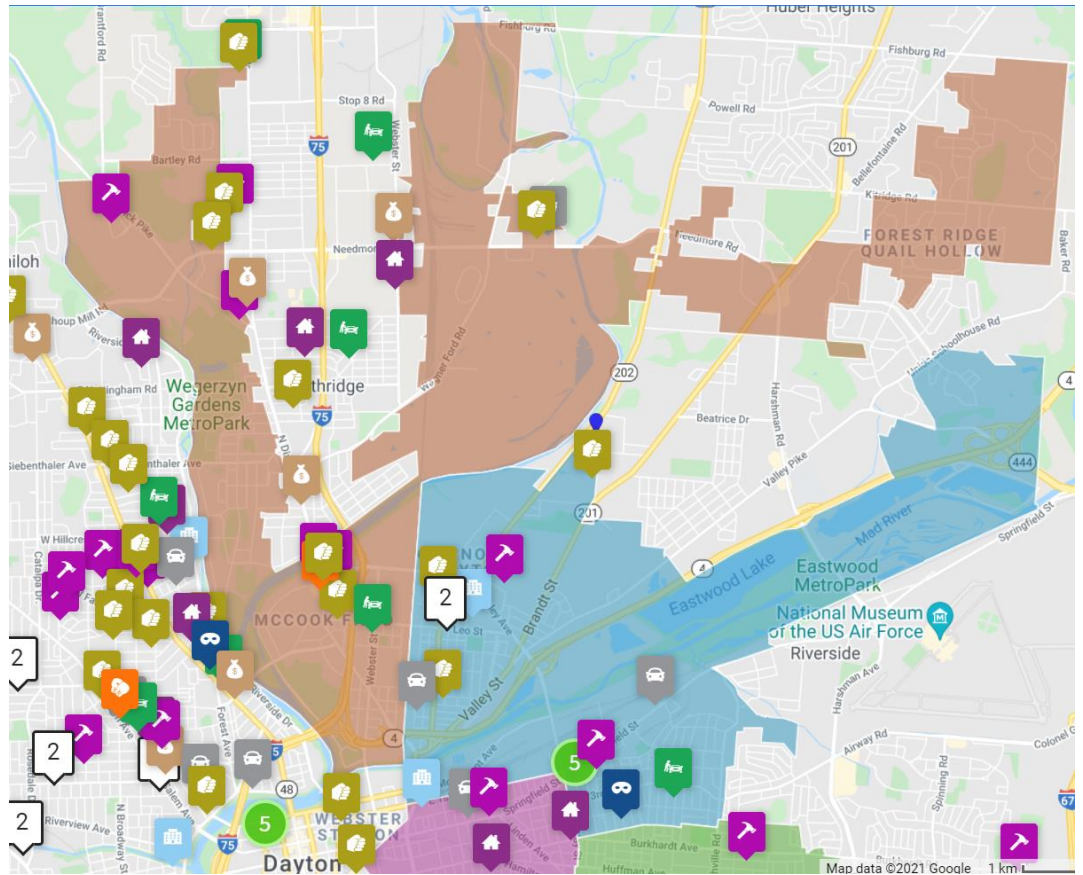

- Report crimes on social media or social pages such as Facebook, Nextdoor, Ring Neighbors, etc.
- Report incidents at neighborhood meetings (unless an officer is present, a report cannot be taken from a third party.)
- Wait to report a crime. Report it immediately after it has been discovered.

State Farm Neighborhood Assist

We are happy to announce that State Farm Neighborhood Assist® grant is back for its 10th year! As in the past, the top 40 causes with the most votes will each receive a \$25,000 grant, with awards totaling \$1 Million. We can't wait to learn about your nonprofit and the positive impact you're making in your neighborhood.

What you should know

- State Farm Neighborhood Assist®, a crowd-sourced philanthropic initiative, lets communities determine where grant funding is awarded. Anyone 18 years of age and older in the U.S. can participate.
- The application is short and simple, and you can learn more by visiting www.neighborhoodassist.com.
- Applications are available and due on **June 2, 2021** - we will accept the first **2,000 submissions** and narrow it down to **200 finalists**.
- Meet the [2020 Winning Causes](#). (The more unique, the higher the chances of making it into the top 200)

Prep for submission day (SPOTS FILL UP FAST)

- [2021 Submission Guide](#) – Get your submission ready with our easy to use guide so you can copy and paste on June 2nd.
- **Your application will be judged based on your answers to the following three questions:**
- Name of the Cause - (Start with “A” or letter early in alphabet. This will move your cause to top of the list when voting – Example “A Field of Dreams”)
- How much does the cause focus on an unmet need in this community?
- Why do you feel the \$25,000 would address the unmet need?
- How much of a lasting impact on this community would the grant have?
- Have a great photo.
- **The submission phase is June 2nd and ends when 2,000 submissions are reached. (Last year we received 2,000 submissions in under 30 minutes)**
- All you have to do is submit the cause; you don't have to “run the program.” **Apply early – my recommendation would be right at 1:00:01 PM EST on June 2, 2021.**
- The top 200 finalists will then be uploaded to www.neighborhoodassist.com where the public will be able to vote up to 10 times per day for 10 days from 8/18/2021 – 8/27/2021.
- The top 40 causes with the most votes will each win a \$25,000 grant from State Farm! Winners will be announced on 9/29/2021.

Please reach out if you have any questions, thank you for making a difference in your community and good luck!

Best,
#SFNeighborhoodAssist

Catalytic converter theft

is on the rise in your neighborhood

An exhaust admission control device that reduces toxic gases and pollutants in exhaust gas

Contains valuable metals such as platinum

SUV's, because of their height, (easier to get to converter) and lighter weight cars, such as the Prius, (easier to jack up, if needed) are common targets, but all types of vehicles are prone to this theft. It only takes about 5 minutes to steal your converter.

What can you do to prevent Catalytic converter thefts?

- Park your car in your garage whenever possible
- Park in a well-lit area
- Set your car alarm to pick up vibrations
- Use motion sensor lights in your driveway

Did you know that nearly 50% of vehicle theft is due to driver error?

Make sure to:

- Always take your keys with you.
- Never leave your car unattended if it's running.
- Close and lock all windows and doors.
- Park in well-lit areas.

Have you heard of warm-up thefts?

During the cold winter months, drivers may be tempted to warm up their cars while they stay warm inside.

Think twice before leaving your car running unattended. Car thieves are on the lookout for these vehicles warming up in driveways.

WE CAN HELP!

You can take advantage of this free program.

You are partnered with **one** community health worker who will walk alongside you to help connect you to the local resources you need to become stronger and healthier.

For more information, contact the Dayton Regional Pathways HUB

DAYTONHUB@GDAHA.ORG

WHAT IS THE HUB?

Dayton Regional Pathways HUB is a free program to help connect pregnant women to the medical and social services they need for a healthy pregnancy and delivery. Every Pathways HUB client is partnered with a community health worker (CHW) who is employed by one of our partner organizations. The CHWs serve as partners and coaches to help connect clients to resources and services so they can take charge of their health and achieve healthier lives for themselves and for their babies. They work together to identify risks and manage them, one by one.

OUR PURPOSE

To reduce infant mortality by eliminating barriers to health and well-being for at-risk pregnant women. This initiative serves all at-risk women, but we focus on African American and Hispanic women due to the impact that poor birth outcomes and infant mortality have in these specific populations.

OUR MISSION

To improve birth outcomes by using the Community Pathways HUB Model to find those women at greatest risk, treat their unique challenges by connecting them to effective interventions, and measure program successes.
