National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie.

National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances.

Millions of neighbors take part in National Night Out across thousands of communities from all fifty states, U.S. territories and military bases worldwide on the first Tuesday in August (Texas and select areas celebrate on the first Tuesday in October). Neighborhoods host block parties, festivals, parades, cookouts and various other community events with safety demonstrations, seminars, youth events, visits from emergency personnel, exhibits and much, much more.

DO YOU NEED A SAFE PLACE FOR YOUR BABY TO SLEEP?

Families must meet the following requirements to participate in the Safe Sleep Program:

- Have no other safe sleep space such as crib, pack 'n play or bassinet or ability to obtain one
- Families eligible for receiving government assistance such as WIC, Medicaid, etc.
- At least 32 weeks pregnant or a child under 6 months of age
- Receive safe sleep education and complete required paperwork
- One pack 'n play or cribette per child

In Ohio, three babies die each week in unsafe sleep environments. These deaths are preventable by keeping in mind a few safe sleep ABC's: Babies are safest **Alone**, on their **Back**, in an empty **Crib**.

Public Health – Dayton & Montgomery County, in collaboration with Ohio Department of Health and Cribs for Kids is providing Infant Survival Kits to parents and caregivers in our community. The Infant Survival Kit includes a cribette, fitted sheet, and educational safe sleep material.

Catalytic converter theft

is on the rise in your neighborhood

An exhaust admission control device that reduces toxic gases and pollutants in exhaust gas

Contains valuable metals such as platinum

SUV's, because of their height, (easier to get to converter) and lighter weight cars, such as the Prius, (easier to jack up, if needed) are common targets, but all types of vehicles are prone to this theft. It only takes about 5 minutes to steal your converter.

What can you do to prevent Catalytic converter thefts?

- Park your car in your garage whenever possible
- Park in a well-lit area
- Set your car alarm to pick up vibrations
- Use motion sensor lights in your driveway

How to Prevent Trailer Thefts

- Use a hitch lock- this makes it more time consuming for thieves to steal your trailer
- Park your trailer in a well-lit area- most criminals do not want to be seen committing crimes
- You can also park your trailer in an area such as a fenced backyard or garage
- Make sure you have the license plate or registration information written down
- Mark your trailer with identifiable marks
- Block the tires with tire blocks or cinder blocks
- Lock your wheels
- Remember, if you see something, say something
