How to Prevent Trailer Thefts

- Use a hitch lock- this makes it more time consuming for thieves to steal your trailer
- Park your trailer in a well-lit area- most criminals do not want to be seen committing crimes
- You can also park your trailer in an area such as a fenced backyard or garage
- Make sure you have the license plate or registration information written down
- Mark your trailer with identifiable marks
- Block the tires with tire blocks or cinder blocks
- Lock your wheels
- Remember, if you see something, say something

DO YOU NEED A SAFE PLACE FOR YOUR BABY TO SLEEP?

Families must meet the following requirements to participate in the Safe Sleep Program:

- Have no other safe sleep space such as crib, pack 'n play or bassinet or ability to obtain one
- Families eligible for receiving government assistance such as WIC, Medicaid, etc.
- At least 32 weeks pregnant or a child under 6 months of age
- Receive safe sleep education and complete required paperwork
- One pack 'n play or cribette per child

In Ohio, three babies die each week in unsafe sleep environments. These deaths are preventable by keeping in mind a few safe sleep ABC's: Babies are safest **Alone**, on their **Back**, in an empty **Crib**.

Public Health – Dayton & Montgomery County, in collaboration with Ohio Department of Health and Cribs for Kids is providing Infant Survival Kits to parents and caregivers in our community. The Infant Survival Kit includes a cribette, fitted sheet, and educational safe sleep material.
