Help Shape Your New Neighborhood Safety Plan

The City of Dayton and the Dayton Police Department want every Dayton neighborhood to have a Neighborhood Safety Plan to not only help reduce crime, but also to improve quality of life.

You're invited to any of the four upcoming community meetings* which will explain what a Neighborhood Safety Plan is, how your neighborhood can create one, and the tools available to make it work.

At each of these meetings, a vendor will demonstrate a technology solution that's been successful in fighting crime in some of our neighborhoods. Please bring your questions. Your feedback will be crucial toward the goal of making all our neighborhoods safer. *Masks are required.

How to Prevent Trailer Thefts

- Use a hitch lock- this makes it more time consuming for thieves to steal your trailer
- Park your trailer in a well-lit area- most criminals do not want to be seen committing crimes
- You can also park your trailer in an area such as a fenced backyard or garage
- Make sure you have the license plate or registration information written down
- Mark your trailer with identifiable marks
- Block the tires with tire blocks or cinder blocks
- Lock your wheels
- Remember, if you see something, say something
