11/06/2021	0324	215 E Third St	Male acting very erratically kicked in the second street door in.

## Did you know that nearly 50% of vehicle theft is due to driver error?

### Make sure to:

- Always take your keys with you.
- Never leave your car unattended if it's running.
- Close and lock all windows and doors.
- Park in well-lit areas.

## Have you heard of warm-up thefts?

During the cold winter months, drivers may be tempted to warm up their cars while they stay warm inside.

Think twice before leaving your car running unattended. Car thieves are on the lookout for these vehicles warming up in driveways.

## **Speaker**

Carla Maragano, Esq.

Ms. Maragano is a Montgomery County (OH) Public Defender. She graduated from Ohio University with a B.A. in Political Science, and she holds a J.D. from the University of Akron. Ms. Maragano has practiced law as a Public Defender for seven years.

Her professional affiliations include membership with the National Association for Public Defense, the Ohio State Bar Association, the Ohio Association of Criminal Defense Lawyers, and the Dayton Bar Association. She was also an active participant in the police reform oversight process.

Take the **ME** out of crime

Every day vehicles are stolen in the Dayton area because they are left running unattended in driveways and gas stations. Protect your children, pets and valuables:

**LOCK IT** before you

**LEAVE IT**

# Catalytic converter theft

is on the rise in your neighborhood

An exhaust admission control device that reduces toxic gases and pollutants in exhaust gas

Contains valuable metals such as platinum

SUV's, because of their height, (easier to get to converter) and lighter weight cars, such as the Prius, (easier to jack up, if needed) are common targets, but all types of vehicles are prone to this theft. It only takes about 5 minutes to steal your converter.

## What can you do to prevent Catalytic converter thefts?

- Park your car in your garage whenever possible
- Park in a well-lit area
- Set your car alarm to pick up vibrations
- Use motion sensor lights in your driveway
