Gem City Diaper Bank

Help Us Address Diaper Need & Period Poverty in Our Community

*Change is good...
Especially when
it is a clean
diaper!*

Diaper Need Awareness Week - September 27 thru October 3

Why Support Diaper Banks?

- Government programs such as WIC or public assistance do not cover the cost of diapers.
- **1 in 3** families struggle to provide diapers for their babies.
- Families are forced to choose between utilities and diapers.
- Some families resort to cleaning out or drying soiled disposable diapers and reusing them to meet their diaper needs, which can lead to health issues.

Why Help with Period Poverty?

- In lieu of sanitary products, many people are forced to use items like rags, paper towels, toilet paper, or cardboard.
- Period poverty affects female health, education, and self-esteem & can lead to health issues like toxic shock syndrome, reproductive tract infections, and even cervical cancer.

You can make a difference!

- Donate a box of disposable diapers & wipes. There is a need for sizes **4, 5, 6, & 7**
- Make a monetary donation by visiting our website at:
<https://www.gemcitydiaperbank.org/>
- **NEW THIS YEAR:** Donate female hygiene products to fight 'Period Poverty'

LIVE AND LETGO TIP #4729

HOW TO CHAT

DO talk to buyers and sellers using letgo's built-in chat

DON'T rely on tiny notes attached to carrier pigeons

Plus, letgo includes user profiles, ratings, reviews, and verification, so it's easy to see who you're talking to and what others have said about them. So, take a look - and don't forget to help out letgo's community by reviewing other users after you complete a transaction!

Somebody giving you the wrong kind of attention. **Use the LetGo app to report and block any user who makes you feel uncomfortable.** We take your trust and safety very seriously, so if someone's not using our app the right way, we want to know about it.

letgo's made for local second handing, and we've made it easy to find buyers and sellers nearby so you can leave shipping out of the equation. Your best bet is to use LetGo the same way millions do and meet in person! (Bonus: this also lets you end every transaction with a nice, crisp high five.)

Meeting up

So, you've agreed on a price and are ready to make a deal - now it's time to set up a face-to-face!

Busy, public places like these are safe and convenient spots to meet:

- Bank lobbies
- Coffee shops
- Grocery stores
- Malls
- Police stations (many have designated safe zones in their lobbies or parking lots)

Meet up during daylight hours and bring a friend to feel extra comfortable - especially when high-value items like laptops and phones are involved.

LIVE AND LETGO TIP #8351

WHEN TO MEET UP

	DAYLIGHT	NIGHTTIME
safer	✓	✗
better visibility	✓	✗
more people around	✓	✗
vampires	✗	✓

letgo

If you run into any red flags, like someone refusing to meet in a public place or changing your meetup location at the last minute, trust your gut, report that person to us in the rare cases where that's needed, and find another buyer or seller (don't worry, we've got plenty).

Closing the deal

Once you've met and made some small talk about the weather, it's time to close the deal!

When you're *buying*, always check out the item to make sure everything's just as you expected. If it's an electronic like a computer, phone, or full-size robotic butler, turn it on to make sure it works.

When you're *selling*, take a moment to count and inspect the money. (Stick to cash, too - don't accept gift cards, wire transfers, or personal checks.)

LIVE AND LETGO TIP #9147

HOW TO PAY

DO pay
with cash

DON'T pay with a
handful of random
gift cards

letgo

When that's done, give yourself a pat on the back, because you've just completed another successful LetGo deal!
