Holiday Burglaries

Don't let a thief ruin this joyful season. Take steps to protect your home and family during the holidays.

While understandably excited about a holiday party, wait until you get back home before sharing the news of your special evening on Facebook. Most social media accounts are visible to many viewers, and you can never tell who might be reading your page. Similarly, you should also avoid answering RSVPs on Facebook. Instead, call the people who invited you to let them know if you'll be attending.

Have a wonderful (and safe) holiday season!
