# Holiday Burglaries

**Don't let a thief ruin this joyful season. Take steps to protect your home and family during the holidays.**

**A big tree shimmering with lights and ornaments announces to the world that you're in the holiday spirit.** But placing the tree in your front window, surrounded by expensive gifts, may give burglars a chance to window-shop. If setting up your tree in your front room, close your curtains to block the view from outside, or delay placing presents under the tree.

*Have a wonderful (and safe) holiday season!*
