Holiday Burglaries

Don't let a thief ruin this joyful season. Take steps to protect your home and family during the holidays.

A big tree shimmering with lights and ornaments announces to the world that you're in the holiday spirit. But placing the tree in your front window, surrounded by expensive gifts, may give burglars a chance to window-shop. If setting up your tree in your front room, close your curtains to block the view from outside, or delay placing presents under the tree.

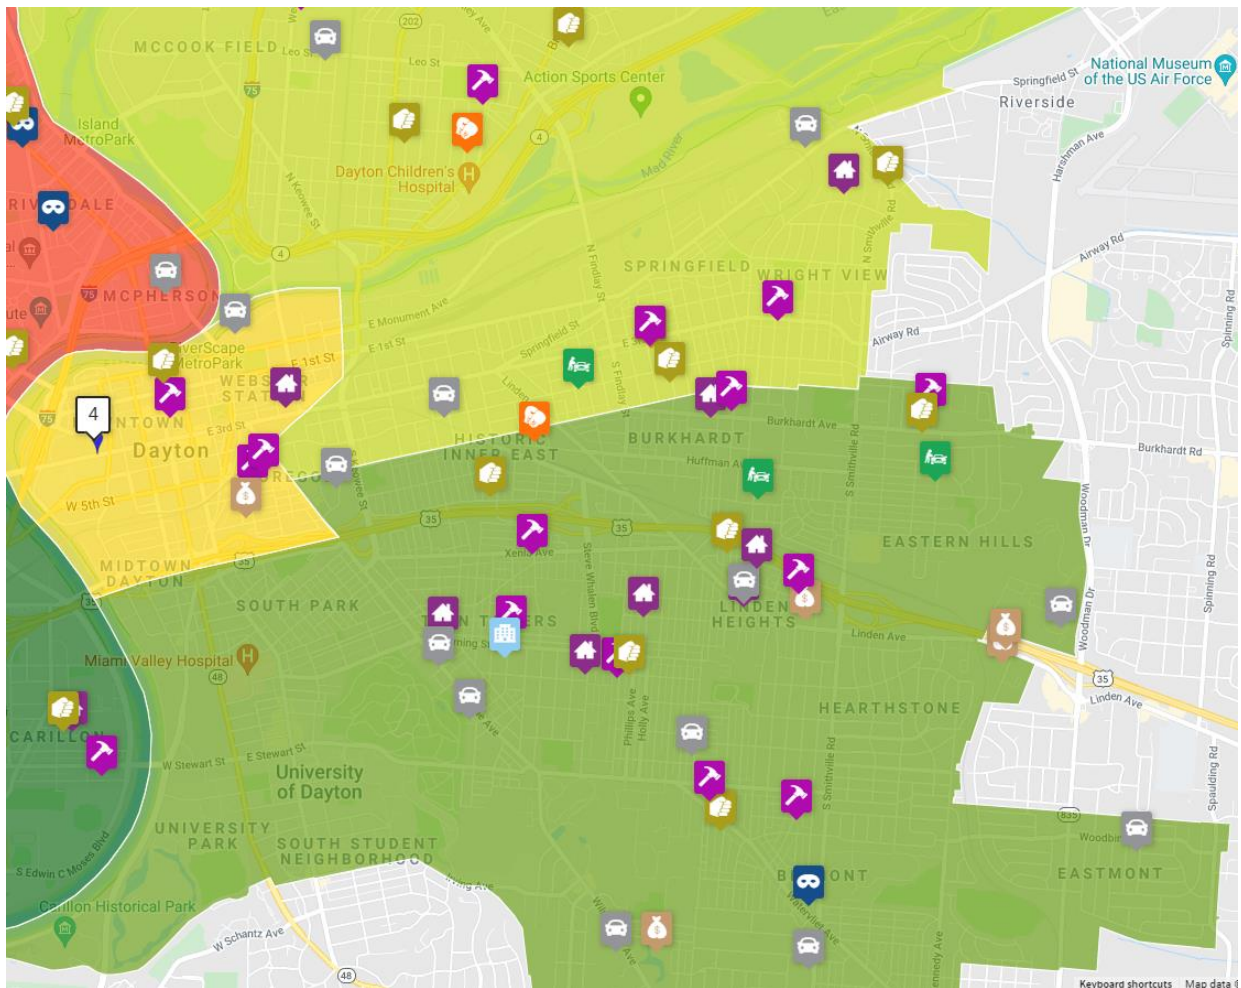

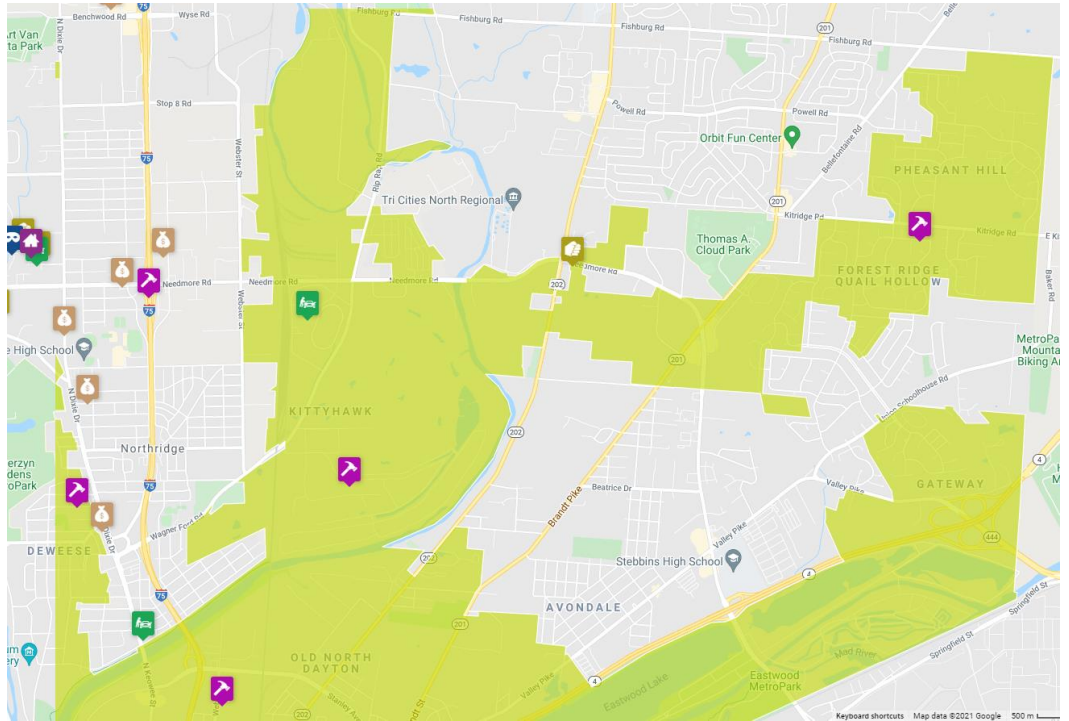

Have a wonderful (and safe) holiday season!
