Holiday Burglaries

Don't let a thief ruin this joyful season. Take steps to protect your home and family during the holidays.

The holidays are the season of good cheer when charities go door-to-door collecting food and donations. Burglars know this and sometimes pose as charitable workers or delivery persons, when all they really want is to scope out your house to see if what's inside is worth targeting. Never give cash to unsolicited persons, and always leave these "visitors" standing outside while you retrieve your donation. Be extra cautious by **closing and locking** the door when you walk away from it.

Have a wonderful (and safe) holiday season!
