## 5 STEPS TO A SAFER NEIGHBORHOOD

### STEP 1

#### Get to Know Your Neighbors

- Exchange phone numbers (home, work, cell)
- Learn each other's routines (work schedules, vacation plans, guests' visits, scheduled workers)
- Regularly check on elderly neighbors
- Volunteer to pick up your neighbor's newspapers when they are gone
- Organize or join a Neighborhood Watch Group for your block\*

### STEP 2

#### Don't be a Target

- Have plenty of lighting around your home; use motion sensors, if possible
- Don't leave window or doors open, even on a hot day, if you are not home
- Leave lights on inside your home or use timers when you're gone
- Lock your car and keep valuables out of sight
- Secure gates and fences that are easily accessible
- Have keys ready when coming home; don't fumble around at your door
- Check your surroundings when approaching your door at night
- Be wary of solicitors at your door, even in the day time

### STEP 3

#### Report Suspicious Activity

- Call 911 whenever something looks unusual (strange cars with people in them in front of houses; strangers checking out houses or cars)
- Have a pen and paper handy to write down details that could help police

### STEP 4

#### Get Out and About

- Walk around your neighborhood or sit on your front porch as much as possible
- Encourage your neighbors to get out with you

### STEP 5

#### Keep Our Neighborhoods Neat and Clean

- Pick up trash, even if it's not yours or in front of your house
- Keep yards maintained and looking good
- Trim hedges that can be used as hiding places

# START A NEIGHBORHOOD WATCH PROGRAM

## You Will Need

- A person or group of people committed to starting a Neighborhood Watch.
- A planning committee to initiate the program.
- A list of what issues initially need to be addressed in your community.
- A means of communicating with the residents (e-mail, fliers, telephone trees, etc.)
- Publicity for the initial Neighborhood Watch meeting.
- A meeting agenda to keep things moving and on track.
- A place to meet (resident's home or apartment, community center, school, library, etc.)
- A crime prevention officer to discuss the crime issues in the neighborhood and to help train members.
- A map of the community with spaces for names, addresses, and phone numbers of all households.
- A sign-up sheet for those interested in becoming block or building captains.
- Brochures or other materials on topics of interest to the residents.
- Neighborhood Watch signs to be posted around the community. Some jurisdictions require a minimum number of participants before Neighborhood Watch signs can be posted.
- Facts about crime in your neighborhood. These can be found in police reports, newspapers, and residents' perception about crime. Often residents' opinions are not supported by facts, and accurate information can reduce fear of crime.

## Generate Excitement

- Mix business with pleasure and allow attendees time to socialize.
- Seek out neighborhood go-getters, such as civic leaders and elected officials, to be your advocates and mentors.
- Work with existing organizations such as citizens' association, tenants' association, or housing authorities.
- Provide speakers on topics of community interest.
- Link crime prevention into activities promoted by other groups: child protection, anti-vandalism projects, community service, arson prevention, recreation activities for young people.
- Start a neighborhood newsletter.
- Arrange for McGruff to make a surprise appearance at a meeting, rally, or other event.

## Build Partnerships

- The police or sheriff's office's endorsement is critical to a Watch group's credibility. These agencies are the major sources of information on local crime patterns, crime prevention education, and crime reporting.
- Local businesses and organizations can help provide fliers and a newsletter, offer meeting places, and distribute crime prevention information. Ask an electronics store to donate cellular phones.
- Libraries can provide research materials, videos, computers, and meeting space.
- Media can aid Neighborhood Watches by publicizing recruitment drives.
- Look to volunteer centers, parent groups, and labor unions for advice on recruiting volunteers.
- Teenagers are valuable resources. They can be an integral part of a citizens' patrol including biking and rollerblading to scout the neighborhood.
- Places of worship can provide meeting space and a good source of volunteers.
