Volunteers are sought to help complete and file tax returns for area residents claiming the Earned Income Tax Credit or Child Tax Credit in early 2023.

The Volunteer Income Tax Assistance Program (VITA) operates free tax preparation services at dozens of area locations from January through April. Residents using the service may claim federal tax credits designed for working families and individuals. Each year, the program returns millions of dollars to the local economy through tax refunds.

Volunteer tax preparation specialists will be trained by the Internal Revenue Service and may be assigned to one or more locations based on demand and availability.
