NEW
CLASS!

Montgomery County

Victim / Witness Program

Dayton Police
Academy

3237 Guthrie Rd
Dayton 45417

The Victim / Witness Division is a section of the Montgomery County Prosecutor's Office. This Division is designed to help those individuals who have been a victim or witness of a violent crime.

The Victim / Witness Division provides 24-hour crisis-intervention, support and informational services to those affected by violent crime. The Advocates specialize in cases of sexual assault/abuse and homicide; however, they offer a variety of services to other victims and witnesses as well.

In this class, you will learn more about this division, and discover how this important program helps victims and witnesses understand their rights and responsibilities.

* must be 18 to participate in range activities. Class size is limited.

Dayton Police

K-9 Unit

Dayton Police
Academy
3237 Guthrie Rd
Dayton 45417

Register now to attend

The capabilities of trained canines enhance a law enforcement officer's ability to detect and prevent crime, and to identify and apprehend suspects. The Dayton Police Department's K-9 unit partners officers with expertly trained canines to assist in tracking and the detection of subjects as well as other services that protect our community.

In this class, you will get the opportunity to talk to the Police K-9 handlers and hear first-hand how DPD canines are trained and work within our community. You will also get a chance to experience K-9 training techniques with the hands-on portion of the class.

* must be 16 to participate in range activities. Class size is limited.

Car Seat Safety Program

The Car Seat Safety Program provides free car seats and training for families that are economically disadvantaged. Offering the class ensures that parents and caregivers know how to properly install and use car seats, which mean children stay safe.

A Partner On Your Personal Journey

Goodwill Easterseals Miami Valley understands that safety seats can be expensive to purchase, and sometimes difficult to use properly. We also know that safely securing your child when he or she is riding in the car can help prevent injuries or deaths that often result from crashes. If you benefit from the WIC program or are eligible for Medicaid, we can help you keep your child safe during transportation by providing a child passenger safety seat.

Resources to Achieve Independence

- **Safety Seats** – If you live in the greater Miami Valley region and meet eligibility requirements, you can benefit from this valuable service made possible by our local partnerships. A donation per seat is requested.
- **Certified Technicians** – A certified technician will assist you with the installation of your new safety seat. You do not need to have a vehicle to receive a car seat, but it is best to install the seat in the vehicle your child will be riding in most.
- **Education** – Through a video and information session, you'll learn about the stages of safety seat use so that even after you receive your car seat you'll know how to keep your child safe as he or she grows up.
- **Resources** – If you or someone you know would like additional information about child passenger safety and the safe transportation of children, we can provide educational materials about special needs and travel safety for anyone who is caring for your child.

**Enrolling now for classes at our new
West Campus located in Trotwood**

To learn more about the car seat safety program, please contact the Car Seat Safety Supervisor at **937.528.6301**, email at carseat@gesmv.org, or visit our website using the QR code below.
