Quick Tips for Personal Safety: Home Safety

- Invest in a locked mailbox and drop outgoing mail at the post office or U.S.P.S. mailboxes
- Trim shrubbery so bad guys can't hide out
- Always lock your external doors, windows, and door between garage and house, whether you're home or going out
- Leave your spare key with a trusted neighbor. Never leave it hidden on your property
- Use deadbolts that are at least grade 2, extend at least 1 inch, and have strike plates reinforced to the frame
- Install motion-sensing lights outside of entrances
- For added security, consider installing an alarm system
- When you're out of town:
 - Set inside and outside lights on timers set for random times
 - Never leave notes on your door for service people or visitors
 - Cancel deliveries or have someone you trust pick them up
