

Temporary partial road closure of North Ludlow Street begins 9/11

Release date: Friday, Sept. 8, 2023

Contact: David Shade, david.shade@daytonohio.gov, 937-333-4917

On Monday, Sept. 11, North Ludlow Street will be reduced to one lane of traffic between West Second Street and West Third Street from 7 a.m. to 7 p.m. Construction is expected to be completed by Friday, Sept. 15.

Water Utility Field Operations (WUFO) crews will be working to make necessary repairs on important water infrastructure in the area. The work will require street closure as well as closure to the entrance or exit as necessary for safe completion. During this time, parking meters will be out of service along the affected area of North Ludlow Street. Currently, it is expected that pedestrian traffic could be impacted but not closed or redirected.

A noise advisory is being dispersed to affected buildings, including City Hall.

For more information, or in case of emergency, please contact WUFO at 937-333-4900
