Dayton Police Promoting Safe Exchange Zones

Release Date: Wednesday, August 23, 2023

Contact: James Rider, Police Information Specialist, 937-333-1201

The Dayton Police Department is reminding community members about the City's Safe Exchange Zones. These are located at four of the police buildings throughout the city. These locations can be used for various purposes, such as exchanges for online transactions or child custody exchanges.

In 2023, the Dayton Police Department has seen an increase in theft regarding internet transactions where people meet up in person. These have ranged from robbery with a weapon to using counterfeit money for the transaction.

This year, at least 40 incidents have occurred where victims tried to sell an ATV or a dirt bike, but the property was stolen during the transaction. There have been at least 70 incidents where a victim tried to buy or sell something online, and when meeting with the potential purchaser, it resulted in the loss of the property or money.

These crimes have primarily involved juveniles. There are numerous red flags that people should be aware of with online transactions, such as not wanting to meet at a safe exchange zone, changing the location at the last minute, or the person/persons does not look like their online picture.

The four safe exchange zones are located at:

951 Washington St.
417 E. Helena St.
2721 Wayne Ave.
248 Salem Ave.

5 STEPS TO A SAFER NEIGHBORHOOD

STEP 1

Get to Know Your Neighbors

- Exchange phone numbers (home, work, cell)
- Learn each other's routines (work schedules, vacation plans, guests' visits, scheduled workers)
- Regularly check on elderly neighbors
- Volunteer to pick up your neighbor's newspapers when they are gone
- Organize or join a Neighborhood Watch Group for your block*

STEP 2

Don't be a Target

- Have plenty of lighting around your home; use motion sensors, if possible
- Don't leave window or doors open, even on a hot day, if you are not home
- Leave lights on inside your home or use timers when you're gone
- Lock your car and keep valuables out of sight
- Secure gates and fences that are easily accessible
- Have keys ready when coming home; don't fumble around at your door
- Check your surroundings when approaching your door at night
- Be wary of solicitors at your door, even in the day time

STEP 3

Report Suspicious Activity

- Call 911 whenever something looks unusual (strange cars with people in them in front of houses; strangers checking out houses or cars)
- Have a pen and paper handy to write down details that could help police

STEP 4

Get Out and About

- Walk around your neighborhood or sit on your front porch as much as possible
- Encourage your neighbors to get out with you

STEP 5

Keep Our Neighborhoods Neat and Clean

- Pick up trash, even if it's not yours or in front of your house
- Keep yards maintained and looking good
- Trim hedges that can be used as hiding places
