The City of Dayton is seeking residents' opinions about living in Dayton and City government.

The annual Dayton Survey began arriving at approximately 13,000 randomly selected homes during the week of Sept. 4. Residents should look for an envelope showing the City of Dayton logo and the message "Help the City of Dayton serve you better by taking this survey!".

The survey consists of approximately 80 questions covering a broad assortment of City services, programs and priorities, as well as quality-of-life issues in neighborhoods. Participation is anonymous.

Residents receiving a survey mailer can return a completed survey in the postage-paid envelope or may submit their responses using the web address indicated.

The City of Dayton has surveyed residents for more than three decades. Resident response helps shape City priorities and policies.

The Dayton Survey administrator, ETC Institute, will randomly select one survey respondent to receive a \$500 VISA gift card for returning a completed survey. The drawing will occur after the survey window is closed and the winner will be contacted by ETC by the end of the year.

Residents with questions about the survey may contact the City of Dayton at 937-333-3752 or [thedaytonsurvey@daytonohio.gov](mailto:thedaytonsurvey@daytonohio.gov).
