Dayton International Airport launches FlyMyAirport digital platform

Travelers can now book travel on the airport's website using this new feature

Dayton International Airport (DAY) announced today the introduction of FlyMyAirport on its website. FlyMyAirport helps travelers quickly find and book the best flight options to and from Dayton International Airport, offering the convenience of direct airline bookings.

"Choosing to fly from DAY is synonymous with easy to and through," remarked Gil Turner, Director of Aviation for the City of Dayton. "As part of our ongoing commitment to better serve our community, we've introduced FlyMyAirport, which helps our travelers find all the destinations that are easily reachable from DAY. Dayton International serves as our community's gateway to the world, and FlyMyAirport can help our travelers plan their everyday trips as well as their dream vacations starting from Dayton instead of other airports."

FlyMyAirport is a digital platform integrated into Dayton International Airport's official website, FlyDayton.com. Website visitors specify where and when they wish to travel, and FlyMyAirport provides relevant routes and travel deals. Unlike services such as Google Flights or Expedia, FlyMyAirport sets DAY as the default departure point, making it easier to plan travel from Dayton. Travelers can search for flights, travel packages, hotels, and rental vehicles and conveniently book right on the website.

"We are thrilled to welcome DAY to our growing family of airports," stated Keegan Coulter, Chief Operating Officer of Airport One, LLC. "FlyMyAirport makes it easier for airports to connect with their community and for consumers to fly locally. We hope our platform helps the Dayton community think of DAY first for their travel needs."

Travelers interested in finding flights and vacation packages starting from Dayton International Airport can now visit <https://flymyairport.flydayton.com/airport/DAY>.

###

About Dayton International Airport

Located near the "Crossroads of the America" -- Interstates 70 and 75 -- the Dayton International Airport (DAY) provides air service to travelers to and from Southwest Ohio. The DAY mission is to contribute to the prosperity of Southwest Ohio by connecting it to the rest of the world through our aviation system. Airport staff provide an enjoyable travel experience making DAY an easy to and through experience.
