

Public help requested following fatal hit and run

Advisory Date: Monday, Nov. 5, 2018

Contact: Cara Zinski Neace, Police Information Specialist, 937-333-1201

The Dayton Police Department Crash Reconstruction Unit is asking for assistance in the investigation of a fatal hit and run crash that occurred Sunday, Nov. 4.

The crash involved two vehicles and happened at 12:23 a.m. near the intersection of Germantown Street and Ernroe Drive. The occupants of one car ran from the scene on foot while two people in the other vehicle were injured and trapped.

Alesia Da'Nae Brown, 26, of Dayton died as a result of the crash, and her passenger was critically injured. The vehicle that was abandoned at the scene was reported stolen from the University of Dayton.

Anyone who may have witnessed the crash or has information on the vehicle involved or its occupants is asked to call Detective J. Sanders at 937-333-1104.
