

City of Dayton conducts survey on accessibility

Release date: Friday, Nov. 6, 2020

Contact: Andrew Marks, Senior Engineer, 937-333-3857

The City of Dayton is conducting an online survey about accessibility to City services, programs and facilities.

The 11-question survey will be online until Jan. 15, 2021, and solicits public input and comments on barriers and perceived barriers to persons with disabilities. The City is preparing a self-evaluation assessment and transition plan for compliance with the Americans With Disabilities Act. Survey results will be reviewed, considered, and included in a final report, which will be completed by mid-2021.

To access the survey, go to www.daytonohio.gov/adasurvey.
