

Waste Collection will pick up Christmas trees
Correction: Date indicated in 2nd paragraph is Dec. 28

Release date: Monday, Dec. 28, 2020

City of Dayton waste collection crews are picking up discarded live Christmas trees at regular collection times. Customers are asked to remove lights, decorations, etc., and to place trees alongside waste containers.

During the week of Dec. 28, waste collection customers are asked to set out items for collection on the night before collection day. There will be no bulk collection in Dayton this week.

In Moraine, collection of regular and bulk waste will occur on Saturday, Jan. 2. In Jefferson Township, recycling and bulk collection is scheduled for Saturday, Jan. 2.
