Lights in Flight, the Dayton region's most spectacular fireworks show, returns to downtown Dayton on Saturday, July 3, above RiverScape MetroPark. The fireworks will light the sky at 10 p.m., following a festival that begins at noon, featuring food and beverage vendors, live entertainment and activities for family fun. Admission is free.

Lights in Flight did not occur in 2020 because of the COVID-19 pandemic but is returning with the generosity of sponsors Marion's Piazza, Five Rivers MetroParks and the Fairfield by Marriott Dayton. The event is presented by the City of Dayton Department of Recreation and Youth Services.
