

Turn in Prescription Drugs on National Drug Take Back Day

Release date: Wednesday, October 20, 2021

Cara Zinski-Neace, Police Information Specialist, 937-333-1201

On Saturday, October 23, from 10 a.m. to 2 p.m., the Dayton Police Department will participate in the Drug Enforcement Administration (DEA) National Prescription Drug Take Back Day.

This opportunity gives residents a chance to help prevent drug abuse, theft, and accidental poisonings by ridding homes of potentially dangerous expired, unused, and unwanted prescription drugs. The majority of abused prescription drugs are obtained from family and friends, often from the home medicine cabinet.

Bring the prescription drugs you want to dispose of to one of five drop-off sites around the City of Dayton. The drug drop-off is free and anonymous, no questions asked.

Please note: Liquids, needles or sharps cannot be accepted; drop off pills or patches only. Persons dropping off prescription drugs are asked to adhere to COVID-19 guidelines (wearing of mask indoors, social distancing, etc.).

Central Patrol Operations Division - 248 Salem Ave.
East Patrol Operations Division North - 417 East Helena St.
East Patrol Operations Division South - 2721 Wayne Ave.
West Patrol Operations Division - 951 Washington St.
Drive-thru: Goodwill Easter Seals: 600 South Main St.

If you cannot bring in your unused, unwanted, or expired prescription drugs on October 23, the police sites have drug drop-off boxes available for use year-round Monday-Friday during business hours (8 a.m. to 4 p.m.).

For more info or to find additional drop-off sites, go to takebackday.dea.gov
