The Dayton Police Department is honored to accept a donation to our Mobile Crisis Response Team (MCRT) from the Vanderbilt Catholic High School Band, of Houma, Louisiana.

Band members will be in Dayton to compete in the WGI Percussion World Championships this coming weekend. As part of a service project for the Dayton community, the high schoolers have created drawstring bags full of personal care items for homeless or others in need who MCRT officers may come across in the course of their duties.

Mr. Brad Adams, the Vanderbilt High School music teacher, reached out to connect his students with Dayton's MCRT officers, saying "It's important for us to not get lost in a world focusing only on ourselves, it's never the wrong time to help others."

The donation will take place on Wednesday, April 20, at 11 a.m., near Gate B of the University of Dayton Arena.
