

Local Business, City of Dayton Collecting Bottled Water

Jet Express, Inc., to Ship Water to Flint, MI

Release Date: Tuesday, January 26, 2016

Contact: Toni Bankston, Office of Communications & Public Affairs, 937-333-3614

The City of Dayton is helping a local business collect bottled water for the community of Flint, Michigan, as it continues to deal with elevated lead levels in its drinking water.

[Jet Express, Inc.](#), has committed to shipping several truckloads of bottled drinking water to Flint residents. The City of Dayton will collect public donations of bottled water to supplement the donation.

Anyone wishing to donate bottled water to the residents of Flint may bring contributions to any of the following locations until 3 p.m. on Friday, February 5.

- Jet Express, 4518 Webster St.
- Greater Dayton Recreation Center, 2021 W. Third St.
- Northwest Recreation Center, 1600 Princeton Dr.
- Lohrey Recreation Center, 2366 Glenarm Ave.

The recreation centers are open Monday through Friday from 6 a.m. to 9 p.m. and Saturday from 8 a.m. to 4 p.m.
