Members of the Dayton Police Department are going to the upcoming 58th Presidential Inauguration ceremonies in Washington D.C. to assist the District of Columbia Metropolitan Police Department with security.

The officers will be on their regular days off or using personal leave for this assignment and the City of Dayton will be reimbursed for the officers' salary and expenses. Participation in this event will have no impact on the City of Dayton budget and will not hamper the Dayton Police Department's ability to effectively serve and protect the citizens of Dayton.

This is the fourth occasion that members of the Dayton Police Department have assisted with security at a Presidential Inauguration.
