The Combined Agency OVI Task Force of Montgomery County will operate a sobriety checkpoint on Friday, March 24, in Dayton.

The OVI checkpoint and enhanced patrols during this weekend are an effort of law enforcement agencies to deter and apprehend impaired drivers. Dayton Police Department officers, along with officers from the Combined Agency OVI Task Force, will conduct a roadside check of drivers for alcohol and drug impairment.

The location of the upcoming checkpoint will be revealed on Friday, March 24.

The majority of the deadliest crashes occur on weekends. In 2016, there were 596 alcohol-related crashes in Montgomery County alone. Those crashes took the lives of 21 people and injured 273. Driving while impaired could cost your life, or the lives of others.

Operational support for the checkpoint will be provided by law enforcement officers from the Combined Agency OVI Task Force of Montgomery County.
