Wednesday, July 3, 2019

Event Hours	Beer Pouring	Ticket Sales	Non-Alcoholic	Food Sales
5:00pm – 10:25pm.	5:00 pm. – 10:00 pm.	5:00 pm. – 9:40 pm.	5:00 pm. – 10:00 pm.	5:00 pm. – 10:00 pm.

Hours

- **Set Up** – Set up is from 1pm – 3pm. All vehicles not involved in the Concession operation must be removed from the festival area by 3:00 pm. Additional vehicles will not be permitted in the festival area for re-supply purposes.
- **Shut Down** - You are expected to shut down at the scheduled time, even if you have a line. This helps the crowd to move off the festival site in a timely manner, allowing for clean-up activities to occur as scheduled. A delay in shut down causes a trickle-down effect, which results in additional labor cost that are not in the budget, i.e., Law Enforcement, Maintenance Staff, etc.

Tar Paper

- **Placement** – Tar paper must be placed under entire booth with no gaps, in order to catch all food drippings and splatters. Tar paper must also be placed under dry storage on sidewalks.

Cooking & Food Preparation

- **Permissible** – Cooking and food preparation *may only* take place:
 - At street level
 - In your booth space
 - On tar paper.
- **NOT Permissible** – You are not allowed to do any cooking, food preparation, and/or dish washing on the sidewalks – even if it is on tar paper.

Storage for Supplies

- **Permissible** – Supplies for operation can be stored within a couple feet of the curb, on the sidewalk if on tar paper.

Grease Removal

- **Placement** – Grease must be placed in a 5 gallon bucket that will be stored in your booth.
- **Removal** – Vendors are responsible for grease removal. JT Enviro will pick up the grease or schedule removal with you. If you have questions or special needs, you can contact Tom Shuler at tshuler1@aol.com, or 937-253-3458 or 937-520-6622 (c).

Gray Water

- **Disposal** – Place gray water in the designated centralized containers only.
- **NOT Permissible** – You may not place water in sewer, flower beds, portable restrooms, on trees, etc.
