

Participant Covid Guidelines

Purpose: Provide clear, concise guidance for City of Dayton Recreation Participants to provide the safest environment for indoor sports activities.

Entering the Facility: Everyone entering a City of Dayton Recreation Facility must wear a mask and be free of fever (temperature >100.4F) or other Covid symptoms. Each Center has temperature check station at or near the front entrance.

Mask Wearing: All spectators, coaches, and non-active participants* must wear a face-covering over their mouth and nose at all times while in the facility in accordance with City Ordinances. **Those who have tested positive and quarantine for 5 days, are required to wear a mask during all activities, including while being active participants for 5 additional days.**

Spectators: Spectators are asked enter the facility with the participant (i.e. do not send the participant into the facility while the parent parks the car). Spectators will be allowed to enter the facility no more than 15 minutes prior game time, anyone arriving earlier will be asked to wait outside the facility. Anyone who is ill or showing symptoms of Covid should not enter the facility.

Seating: Spectators must sit in socially distanced seating that will be available on a first come first serve basis. Any request for additional spectators (must live in the same household) must be made to the site supervisor or Recreation Facility Specialist. There is no guarantee additional seating will be available and no guarantee that any requests will be granted.

Ticketing: **Each Player will receive two tickets weekly. These tickets must be used to enter the facility, no exceptions. More information about ticketing is available in the Ticketing Information document.**

Game times: Due to limited hours at Recreation Centers, all games will be played on Friday Evenings. Game time may be shifted to allow for socially distanced entering and exiting of the facility and to give staff time to quickly sanitize the benches and bleachers. Players, coaches, and spectators will be asked to arrive no more than 15 minutes prior to game time. Any players, coaches, or spectators who arrive more than 15 minutes early will be asked to wait outside the facility until it is their time to enter. Please see the chart below for tentative start times:

Friday Evening
6pm-6:45pm
7pm-7:45pm
8pm-8:45pm (if needed)

Vaccination Status: This City of Dayton will NOT require anyone to show proof of vaccination to enter or utilize the Recreation Center or programs. **However, Recreation staff may inquire about vaccination status in order to determine, when a participant can return to activity safely.**

Continued on back >>>>>>>>>>>>>>

Vaccination Status (Cont'd): Vaccination status is considered up to date if you have received all available vaccines for your age group, including boosters, if eligible.

What To Do If a Participant or Family Member is Ill: First and foremost, please stay home if you are not feeling well. This is RECREATIONAL Basketball, there will be no penalty for missing games or practices due to illness. Participants with any Covid symptoms are asked to stay home and follow local health guidelines. If a participant or a member of the household test positive for Covid, please stay home and quarantine as recommended by local health guidelines or your physician. Additionally, please contact Kyle Gebhart at 937-333-1736 to report any Covid symptoms and positive tests. This is a vital step in limiting exposure and contact tracing.

WHAT TO DO IF YOU HAVE COVID-19

Regardless of Symptoms or Vaccination Status

Continued on next page >>>>>>>>>>>>>

WHAT TO DO IF YOU WERE EXPOSED TO SOMEONE WHO HAS COVID-19**

And, You are Unvaccinated or Your Vaccines **Are Not** Up-to-Date

- If you are unvaccinated or only received one dose of Pfizer or Moderna.

or

- If you completed the primary series* of Pfizer or Moderna vaccine more than six months ago.

or

- If you completed the primary series* of Johnson & Johnson vaccine more than two months ago and no booster.

For 5 days

- Stay home for five days after your last exposure, then wear a mask around others for the next five days.
- Test on day five.
- If you develop symptoms or test positive, stay home.

*A primary series consists of one dose of Johnson & Johnson vaccine; or two doses of Moderna or Pfizer vaccine; or three doses of Moderna or Pfizer vaccine if you received an additional dose because you are immunocompromised.

Thank you to Clark County Combined Health District for sharing its graphic with the Ohio Department of Health.
