City of Dayton
Department of Water
Division of Water Distribution

**General Specifications for Water Main Pipe, Fittings, Valves and Related Supplies Bid
November 2022**

This specification covers the purchase of water main piping, valves, fittings and appurtenances intended for use in the City of Dayton's ("City") Water Distribution system.

All items shall be delivered to the Water Distribution stockroom, 945 Ottawa Street, Dayton, Ohio, 45402 between the hours of 8:00 A.M. and 2:00 P.M. local (Dayton, OH) time, Monday through Friday excluding holidays. Vendors shall give at least a 24-hour advance notice of delivery in order that unloading equipment will be available. All deliveries shall be in open top carriers to facilitate unloading by crane type equipment or forklift. Fittings shall be skidded and shrink-wrapped or in a crate not to exceed 36 inches in height. Curb boxes shall have upper and lower sections screwed together and be skidded and banded in not more than five layers. Valve Boxes shall NOT have upper and lower sections screwed together. Fittings received improperly packaged will be refused.

Pipes and fittings where the lining has been damaged shall be replaced by and at the expense of the manufacturer. With the concurrence of the City's Department of Water, small and readily damaged areas may be repaired.

Pipe manufacture shall have a minimum 5 years of experience in the production of ductile piping, fittings, or valves and shall show evidence of satisfactory service in at least 5 installations. Each type of pipe shall be the product of one manufacturer.

All piping, fittings, valves and appurtenances that come into contact with potable water shall be ANSI/NSF Standard 61 certified.

SECTION 1 – DUCTILE IRON PIPE (DI) AND FITTINGS

1.01 Ductile Iron (DI) Pipe

All ductile iron (DI) pipes shall be designed in accordance with AWWA C150 and manufactured in accordance with AWWA C151 for material, pressure, dimensions, tolerances, tests, markings and other requirements.

All pipes shall be cement lined and bituminous seal coated in accordance with AWWA C104 and shall have an outside coating of bitumastic enamel or approved equal.

The minimum wall thickness for pipe 24 inches or less in diameter shall be that given by Thickness Class 51. The required Thickness Class for pipe larger than 24 inches in diameter shall be stated in a Supplemental Specification.

All ductile iron (DI) pipe and fittings for ductile iron (DI) pipe shall be provided with either push-on joint ends or mechanical joint (MJ) ends manufactured in accordance with AWWA C111 as noted on the bid form.

All push-on joints shall have the plain end painted with a circular stripe to provide a guide for visual check to insure that joint is properly assembled.

Gaskets for joints shall be molded rubber.

Ductile iron (DI) pipe shall come complete with gaskets and bolts (if MJ pipe) only. Follower glands for mechanical joint (MJ) pipe will be ordered as a separate bid item.

1.02 Fittings for Use with Ductile Iron Pipe

Fittings shall be minimum of Class 250, ductile iron (DI) manufactured in accordance with AWWA C110, or ductile iron (DI) compact fittings manufactured according to AWWA C153.

All fittings shall be provided with mechanical joint (MJ) ends made in accordance with AWWA C111. All fittings shall be cement lined and bituminous seal coated in accordance with AWWA C104 and shall have an outside coating of bitumastic enamel or approved equal.

All fittings shall be provided without accessories.

1.03 Restraint Mechanisms for Ductile Iron Pipe and Fittings

Ductile iron (DI) pipe and fittings follower glands shall be a restraining mechanism, which, when actuated, imparts multiple wedging action against the pipe, increasing its resistance as the pressure increases.

Twist off nuts shall be used on the follower gland to insure proper actuating of the restraint devices.

Joint restraint devices shall have a working pressure of at least 250-psi with a minimum safety factor of 2:1.

Mechanical joint (MJ) follower glands shall be EBBA Iron Megalugs or Approved Equal. Restraining type push-on joints shall be subject to approval.

SECTION 2 - GATE VALVES

2.01 Description

All gate valves provided shall conform to the latest revision of AWWA C509 except as modified herein.

All gate valves, unless otherwise specified, shall meet the following design criteria and be manufactured of materials meeting the following specifications.

1. Gate valves shall be resilient-wedge type rated for 250-psi cold water working pressure, have non-rising stem, open right (**clockwise**), and have mechanical joint (MJ) ends.
2. All ferrous components shall be ductile iron (DI). The manufacturer name, valve size, and pressure rating shall be cast or stamped on the valve.
3. Wedge shall be constructed out of ductile iron (DI) encapsulated with a nitrile, SBR rubber, EPDM elastomer or material as approved.
4. All internal and external surfaces shall be coated with a polyamide cured epoxy coating system applied over a sand blasted "new white metal surface" per SSPC-SP10 to a minimum of 10 mils in compliance with AWWA C550.
5. Mechanical joint (MJ) ends shall conform to the restrained joint requirements for ductile iron (DI) pipe.
6. Bolting materials shall develop the physical strength requirements of ASTM A307 and may have either regular square or hexagonal heads with dimensions conforming to ANSI B18.2.1.
7. Valves shall be supplied with 2 inch operating nuts constructed out of ductile iron (DI) and shall have four flats at stem connection to assure even input torque to the stem.
8. Gate valves shall be bi-directional flow. Valves shall have smooth, unobstructed, oversized flow way.

Valves 12-inch and smaller shall be of vertical design. Valve size in 16 inch shall be bid both vertical and horizontal design. Valves 20-inch and greater shall be of the horizontal design. For valve size 16-inch of the vertical design, lifting lugs shall be an integral part of the valve and the valve shall have flat bottom surfaces allowing the valve to stand up-right. Horizontal valves shall have totally enclosed extended gear cases and shall be designed for buried service.

The gate valve shall be provided with gaskets and bolts but not with follower glands.

2.02 Data To Be Supplied By Manufacturer

The Manufacturer shall submit for approval, two sets of drawings, certified as to the accuracy of the information contained thereon, showing the principal dimensions, general construction features and materials proposed for use for all parts of the valve and operator. Drawings shall be in sufficient detail to verify conformance to the requirements of the specifications. The valves shall be manufactured in accordance with these certified drawings after they have been approved. One set will be returned to the manufacturer marked Approved, Not Approved or Amend and Resubmit.

The Manufacturer shall, if requested by the City, supply records of any of the tests required by AWWA C500 and AWWA C509.

2.03 Certification

The Manufacturer shall furnish, at the time the valves are delivered, a sworn and notarized statement from the manufacturer certifying that the valves comply with all requirements of these specifications, and that all tests specified therein have been performed and all test requirements have been met.

SECTION 3 – TAPPING SLEEVE WITH TAPPING VALVE

All tapping valves shall conform in all respects to the requirements of gate valves except that inlet joints shall be flanged to conform with the tapping sleeve provided to assure proper alignment. The outlet ends shall be mechanical joint (MJ) with slotted holes. Seat rings shall be of sufficient size to permit passage of the tapping machine.

All tapping sleeves shall be flanged ASTM A36 carbon steel-flat face and recessed for standard tapping valve through 24" AWWA C207 Class D ANSI 150 pound drilling with bolt holes straddling pipe center line or mechanical joint type, designed for use on the class of pipe being tapped. For maximum corrosion resistance the sleeve style has approximately 12 mils of fusion applied epoxy and stainless steel bolts, nuts and washers. Sleeves shall be constructed of ductile iron conforming to ASTM A536 and designed for 150 pounds per square inch working pressure. The outlet side shall be flanged and grooved to fit a raised male flange on the tapping valve. These flanges shall be drilled and not cored or slotted. The bolting and gasket where the two halves are joined shall extend the full length of the sleeve.

Suppliers shall state for each size sleeve the minimum and maximum outside pipe diameter on which the sleeves may be used and, where applicable, supply all gaskets adaptable to the full range of allowable outside diameters.

SECTION 4 – TAPPING SLEEVE STAINLESS STEEL ONLY

The tapping sleeve shall be an epoxy coated or stainless steel tapping sleeve with a flanged joint outlet that is suitable for use with a standard resilient wedge tap valve in sizes 4" – 12" as specified herein. The flanged joint outlet shall be a one-piece casting having a full TIG and MIG welded a full 360 degrees in full accordance with ANSI/AWWA C110, C111A21-10 and A21-11.

The tapping sleeve shall meet the following design criteria and be manufactured of materials meeting the following specifications.

1. The shell shall be 304 stainless steel.
2. The nuts shall be heavy-hex of 304 stainless steel (S/S) and lubricated to prevent galling or seizing.
3. The bolts, nuts, and washers shall be 304 stainless steel (S/S).
4. The gaskets shall be of virgin Nitrile compounded for water service.

Suppliers shall state for each size sleeve the minimum and maximum outside pipe diameter on which the sleeves may be used and, where applicable, supply all gaskets adaptable to the full range of allowable outside diameters.

The tapping sleeve shall be a PowerSeal model 3490MJ stainless steel (S/S) sleeve with mechanical joint (MJ) outlet as manufactured by PowerSeal Corporation or approved equal.

SECTION 5 - VALVE BOXES

Valve boxes shall be constructed of ductile iron (DI) conforming to ASTM A536 and shall be adjustable three piece, screw type, with a lower section that locks into the #6 base and with female threads on the end at the base, with a 5 1/4" shaft that can be extended from 48" to 60", all extensions to have female and male threads, Buffalo Pipe and Foundry Corporation No. B-5001, Alabama Pipe Company No. 10357, Clow No. F-2450, or approved equal. The ductile iron (DI) cover shall have the word "WATER" on top.

3. **CASH DISCOUNTS:** All cash discount terms will be effective from date of actual receipt and acceptance of the items purchased, or from receipt of correct and acceptable invoice, whichever is later.
4. **PAYMENTS:** With the award this contract, the successful vendor(s) will be required to receive their payment(s) electronically via a virtual credit card by the City's contracted provider effective 01/01/2019. All fees associated with acceptance of the payment will be the responsibility of the vendor.
5. **F.O.B.:** Destination (City of Dayton, Ohio) with delivery to the specified Department at the specified street address. NO COLLECT FREIGHT SHIPMENTS WILL BE ACCEPTED. All quotations are solicited on a delivered price basis. When, in rare instances, the City accepts a quotation not including all shipping charges, your claim for reimbursement must be itemized on the invoice and supported with a copy of the original freight bill.
6. **TAXES:** The City of Dayton is exempt from payment of Federal excise taxes and State retail sales taxes. The City of Dayton's Federal Exemption Certificate is No. 31-73- 0546K and Ohio Vendor's License No. is 57-15847. The Vendor is responsible for all Social Security taxes and Workers' Compensation contributions for the Vendor or any of the Vendor's employees.
7. **DELIVERIES:** All deliveries on this order must be in full accordance with specifications, properly identified with the Purchase Order number, and must not exceed the quantities specified.
8. **CANCELLATION:** The City of Dayton reserves the right to cancel this order by written notice if the Vendor does not fulfill its contractual obligations with respect to timeliness and/or quality.
9. **DEFAULT PROVISIONS:** In case of default by the Vendor, the City of Dayton may procure the items from other sources, and the Vendor shall be responsible for any excess costs occasioned thereby.
10. **NO VERBAL AGREEMENTS:** The City of Dayton will be bound only by the terms and conditions of this order and will not be responsible for verbal agreements made by any other officer or employee of the City of Dayton. The receipt of this purchase order does not indicate an authorization of fulfillment. Confirmation by City personnel must be received as indicated in the purchase order before any orders are placed.
11. **PATENT AND COPYRIGHT INFRINGEMENTS:** It is hereby understood that by acceptance of this order, the Vendor agrees to defend, indemnify, and save harmless the City of Dayton, Ohio, its officers, agents and employees from any and all loss, costs or expense on account of any claim, suit or judgment as a result of, caused by, or incidental to any patent, copyright or trademark infringement and/or royalty, actual or claimed, because of the use or disposition by said City of any article enumerated on this order and sold to said City pursuant to this order.
12. **APPLICABLE LAWS:** The Vendor warrants that the items and their production or completion shall not violate any federal, state or local laws, regulations or orders.
13. **INSPECTION:** The City of Dayton may inspect the items ordered hereunder during their manufacture, construction and/or preparation at reasonable times and shall have the right to inspect such items at the time of their delivery and/or completion.
14. **WARRANTY:** The Vendor warrants all items delivered hereunder to be free from defects of material or workmanship, to be of good quality, and to conform strictly to any specifications, drawings or samples which may have been specified or furnished by the City of Dayton, and the Vendor further warrants that the Vendor will have good title to the items free and clear of all liens and encumbrances and will transfer such title to the City of Dayton. Said warranties shall not negate or limit any implied warranties of merchantability or fitness. This warranty shall survive any inspection, delivery, acceptance or payment by the City of Dayton.
15. **RISK OF LOSS:** Title and risk of loss to and with respect to the items shall remain in the Vendor until the items in a completed state have been delivered to and accepted by the City of Dayton or to an agent or consignee duly designated by the City of Dayton at the location specified on the face hereof, items which are to be shipped shall be shipped F.O.B. destination unless otherwise specified by the City of Dayton. A packing slip must accompany each such shipment and if a shipment is to a consignee or an agent of the City of Dayton, a copy of the packing slip shall be forwarded concurrently to the City of Dayton. If no such packing slip is sent, the count or weight by the City of Dayton or its agent or consignee is agreed to be final and binding on the Vendor with respect to such shipment.
16. **SAVE HARMLESS:** To the fullest extent permitted by law, the Vendor shall protect, defend, indemnify and hold free and harmless the City of Dayton, its agents, consignees, employees, and representatives from any and all claims, damages, losses claims of loss, causes of action, penalties, settlements, costs, liabilities and expenses of any kind, including but not limited to attorney's fees, arising out of any acts or omissions of the Vendor; its officers and employees, including but not limited to temporary employees that the Vendor provides to the City of Dayton who may be trained or controlled by the City of Dayton to any degree; consultants; agents; and, subcontractors of any tier used in any way to provide the goods or services for this purchase order.
17. **FORCE MAJEURE:** Neither the City nor Vendor shall be considered in default of these Purchase Order Terms and Conditions for delays in performance caused by circumstances beyond the reasonable control of the non-performing party. For purposes of these Terms and Conditions, such circumstances include, but are not limited to: abnormal weather conditions; floods; earthquakes; fire; epidemics; wars, riots, and other civil disturbances; strikes, lockouts, work slowdowns, and other labor disturbances; sabotage; judicial restraint; and inability to procure permits, licenses, or authorization from any local, state, or federal agency for any of the supplies, materials, accesses, or services required to be provided by either the City of Consultant under this Agreement. Should such circumstances occur, the non-performing party shall, within a reasonable time of being prevented from performing, give written notice to the other party describing the circumstances preventing continued performance and the efforts being made to resume performance under this Purchase Order.
18. **INSURANCE:** If requested by the City of Dayton, the Vendor shall maintain policies of liability insurance of such types and such amounts and with such companies as may be designated by the City of Dayton, which policies shall be written so as to protect the City of Dayton and the Vendor from the risks enumerated in Section 15. Such policies of insurance shall not be cancellable except upon thirty (30) days written notice to the City of Dayton and proof of such insurance shall be furnished by the Vendor to the City of Dayton. In addition, such policies shall protect all subcontractors of the Vendor. The Vendor agrees to make prompt written report to the insurance company involved of all accidents, occurrences, injuries or losses which may occur and of any and all claims made against the persons insured under said policies.
19. **SPECIFICATIONS CONFIDENTIAL:** Any specifications, drawing, notes, instructions, engineering notices or technical data referred to in this Purchase Order shall be deemed to be incorporated herein by reference the same as if fully set forth. The City of Dayton shall at all times retain title to all such documents and the Vendor shall not disclose such to any party other than the City of Dayton or a party duly authorized by the City of Dayton. Upon the City of Dayton's request or upon completion and delivery of the items the Vendor shall promptly return all such documents to the City of Dayton.
20. **EXAMINATION OF PREMISES:** If work is to be performed hereunder on the premises of the City of Dayton, the Vendor represents that it has examined the premises and any specifications or other documents furnished in connection with the items and that it has satisfied itself as to the condition of the premises and site and agrees that no allowance shall be made in respect of any error as to such on the part of the Vendor.
21. **CLEANING OF PREMISES:** If work is to be performed hereunder on the premises of the City of Dayton, the Vendor shall at all times keep the premises free from accumulation of waste material or rubbish. At the completion of the items the Vendor shall leave the premises and the items broom-clean.
22. **EQUAL EMPLOYMENT OPPORTUNITY, R.C.G.O. Sec. 35.14:** (a) The Vendor agrees that it will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, ancestry, national origin, place of birth, age, marital status, or handicap with respect to employment, upgrading, promotion or transfer, recruitment or recruitment advertising, lay-off, termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. (b) It is expressly agreed and understood by Vendor that R.C.G.O. Sec. 35.14 constitutes a material condition of this contract as fully as if specifically rewritten herein and that failure to comply therewith shall constitute a breach thereof entitling the City to terminate the contract at its option.
23. **AGREEMENT TO BE EXCLUSIVE:** This Purchase Order contains the entire agreement between the parties and supersedes all other agreements between them. The parties acknowledge and agree that neither of them has made any representation with respect to the subject matter of this Purchase Order or any representation inducing the execution and delivery of this Purchase Order except such representations as are specifically set forth herein, and each party acknowledges that it has relied on these representations in connection with its dealings with the other.
24. **GOVERNING LAW:** This Purchase Order, the performance under it, and all suits and special proceedings under it shall be construed in accordance with the laws of the State of Ohio. In any action, special proceeding or other proceeding that may be brought arising out of, in connection with, or by reason of this Purchase Order, the laws of the State of Ohio shall be applicable and shall govern to the exclusion of the laws of any other forum, without regard to the jurisdiction in which the action or special proceeding may be heard.
25. **ADDITIONAL RIGHTS:** Any rights or remedies granted to the City of Dayton in any part of this Purchase Order shall not be exclusive of, but shall be in addition to, any other rights or remedies granted in another part of this Purchase Order and any other rights or remedies that the City of Dayton may have at law or in equity in any such instance.
26. **PRODUCT MANUFACTURE LABOR STANDARDS:** Products and services provided for in this Purchase Order cannot be produced under "Sweatshop" Conditions as defined in Informal Resolution No. 301-97 as adopted by the Commission of the City of Dayton. The City of Dayton encourages vendors, contractors, Enterprise Zone employers and other organization doing business with the City of Dayton to use their best efforts to pay a living wage to their employees in accordance with Informal Resolution No. 321-98 as adopted by the Commission of the City of Dayton.
27. **CONTRACTOR:** Contractor acknowledges its employees are not public employees for purpose for Ohio Public Employees Retirement System ("OPERS") membership.

Establishing a Dayton Local Business and MBE, WBE or SBE Bidder Preferences for Goods and Services

Section 1. Definitions

- (a) “**Dayton Local Business**” hereafter called City Bidder, is a business as defined in Section 35.35 of the Revised Code of General Ordinances (R.C.G.O.) who is a business located within the corporate limits of the City that has filed or paid a payroll or earnings tax in the most recent calendar quarter and is a taxpayer in good standing with the City of Dayton.
- (b) “**Minority Business Enterprise (MBE)**” or “**Women Business Enterprise (WBE)**” or “**Small Business Enterprise (SBE)**” as certified through the City’s Human Relations Council and as defined by 35.35 of the R.C.G.O.
- (c) “**Goods**” All things, including specially manufactured goods, which are movable at the time of identification to the contract for sale, other than the money in which the price is to be paid, investment securities and things in action, and excluding land or a permanent interest in land
- (d) “**Services**” Those services within the scope of the practices included within professional services and general services.

Section 2. Intent

The intent is to expand the City’s ability to provide a revenue neutral program, while allowing flexibility in the award process to include and prefer those companies qualified for the preference. In order to receive the preference, the business must be within the stated percentage and willing to reduce their bid.

Preferences will be given in the following order:

Step 1) 10% preference for a business that is local AND certified,

Step 2) If no business meets the above criteria, THEN a 5% preference for a non-certified local business may be granted,

Step 3) If no business meets either of the above criteria, THEN a 5% preference for a non-local certified business may be given.

Section 3. Applying Local & Certified Preference Example

Bid Responses:

Bidder A: Not a certified and not a Dayton local business bids: \$100

Bidder B: Certified (MBE, WBE, or SBE) and Dayton Local Business bids: \$110

Bidder C: Not certified but is a Dayton Local HUB Zone Business bids: \$105

Bidder D: Not certified, but is a Dayton Local Business (non HUB) bids: \$105

Bidder E: Certified, but is not a Dayton Local Business bids: \$104

In step one, Purchasing would first contact Bidder B a Dayton Local & Certified Business (since they are within 10% of the low bid), to determine if they would be willing to match the price of the low bid. If “Yes”, then Bidder B is awarded the contract at \$100, if “No”, Purchasing would move onto the next criterion.

In step two, we have a tie between two Dayton local businesses (Bidder C and Bidder D), who are both within 5% of the low bid. The tie would be broken in favor of the Dayton Local business that is a qualified Dayton HUB Zone business. Purchasing would contact Bidder C to determine if they would be willing to match the price of the low bid. If “Yes”, then Bidder C is awarded the contract at \$100, if “No”, Purchasing would move onto the other Dayton Local business, Bidder D. Again Purchasing would contact Bidder D to determine if they would be willing to match the price of the low bid. If “Yes”, then Bidder D is awarded the contract at \$100, if “No”, Purchasing would move onto the next Criterion.

For step three, we have Bidder E who is certified through the City of Dayton as an MBE, WBE or SBE and within 5% of the low bidder, but is not a Dayton Local Business. Purchasing would contact Bidder E to determine if they would be willing to match the price of the low bid. If “Yes”, then Bidder E is awarded the contract at \$100, if “No”, Purchasing would have exhausted all possible preferences and would award to Bidder A the low bid of \$100.

Section 4. Ties

When ranking qualifying businesses, In the event of a tie between two (2) or more Dayton Local Business bidders that are certified MBE, WBE or SBEs, ties will be broken through a lottery method until the winner remains. In the event the event of a tie between two Dayton Local Businesses, the tie shall be broken in favor of a Dayton Local Business that is also SBA HUBZone Certified. In the event of a tie between two (2) or more certified MBE, WBE or SBE bidders, ties will be broken through a lottery method until the winner remains.

Section 5. City Manager Authorization

The City Manager or designee may promulgate rules and regulations to implement this ordinance provided they are not inconsistent with the expressed provisions of this ordinance.

Section 6. Severability

This ordinance may be subject to the application of the laws of the State of Ohio or the United States of America, which may preempt all, or a portion of this ordinance.

Section 7. Expiration

Pending City Commission approval this ordinance shall expire September 29, 2020.

PRODUCT MANUFACTURE LABOR STANDARDS
VENDOR COMPLIANCE FORM

By informal resolution 301-97, the City of Dayton is prohibited from purchasing, leasing, renting or taking on consignment goods for use or for resale by the City which were produced under sweatshop conditions.

The City of Dayton requests the following information concerning the products you intend to provide to the City as a result of this bid. This information will allow us to determine your products' compliance with the standards outlined in informal resolutions 301-97.

We require that you make a good faith effort to ascertain the following about the factories which manufacture the products you intend to supply to the City and that you make information available to us for our verification of your claims.

- A. Child Labor. The factory or producer does not employ anybody younger than the legal age as established by the jurisdiction in which such factory or producer is located for children to work or participate in the production.
- B. Forced Labor. The factory or producer does not use forced labor of any kind-prison labor, indentured labor or bonded labor. However, goods produced by prisoners and/or patients as part of a formal rehabilitation or treatment program shall not be considered "forced labor" under the terms of this section.
- C. Wages and Benefits. The factory or producer pays and/or provides at least the minimum wages and/or benefits as required by law in the jurisdiction in which the factory or producer is located.
- D. Hours of Work. Employees are not required to work more hours than the maximum allowed by law for the jurisdiction in which the factory or producer is located.
- E. Worker Rights. The factory or producer makes available to its employees such rights and procedures as required by law for the jurisdiction in which the factory or producer is located.
- F. Health and Safety. The factory or producer provides at least the minimum safe and healthy working environment as required by law for the jurisdiction in which the factory or producer is located.
- G. Notice to Employees. The factory or producer provides any and all applicable notices to its workers as required by law for the jurisdiction in which the factory or producer is located.

This compliance form must be submitted with your bid. If at any time your products are found to be out of compliance with these standards, or if you refuse to provide information to the City for our verification of compliance, the City reserves the right to terminate contracts for those products.
