TO: Bidders on IFB No. 23027MC

FROM: City of Dayton, Ohio
Division of Procurement

SUBJECT: ADDENDUM NO. 1 - Questions and Answers for above IFB

The City of Dayton received a question relating to our IFB. No. 23027MC Electric Cargo Van.

Attached is the question with answer for this IFB. Please consider this document in preparation of your bid response.

The City's Division of Procurement will not be accepting any additional questions regarding this solicitation from the time of posting this Addendum No. 1 to the bid opening date. Please submit bid(s) to the best of your company's abilities. All bids submitted on or before the opening date and time will be considered for acceptance.

To ensure the integrity of the bid process, a signed copy of this bid addendum notice shall be included with your company's bid response.

CITY OF DAYTON
INVITATION FOR BID (IFB) NO. 23027MC
ELECTRIC CARGO VAN
ADDENDUM NO. 1
June 2023

- 1) My upfitter needs a detailed request on the LED strobe light install. Can I get a full detailed description or can I get a contact number/person that can provide this?

ANSWER: We want to maximize the visibility of our vehicle. Historically we've had amber strobes mounted in the headlight and tail light housing, something like a Whelen Vertex Super-LED. Still, lately, we've accepted lights placed near and around the OEM lights, sometimes even in the grill, like a Whelen ION Series Super-LED. We want the upfitter to offer the best solution for the safety of our personnel and sometimes that may depend on the features and contours of the vehicle being bid.
