Public Outreach

Letters to Advocacy Groups

Public Notices

November 3, 2020

Disability Rights Ohio
200 Civic Center Drive
Columbus, Ohio 43215

Dear Advocate for the Disabled,

The city of Dayton is in the process of creating a Self-Evaluation Study and Transition Plan of all city-owned facilities and programs for compliance with the Americans with Disabilities Act (ADA). Title II of the ADA requires that each of the city's services, programs, and activities be readily accessible and usable by individuals with disabilities. Title II also requires public outreach to the community, especially persons with disabilities, their caregivers, and advocacy groups for the disabled. The city of Dayton is sending this letter to solicit public input and comment on barriers that exist, or are perceived to exist, to persons with disabilities to access city programs.

We welcome your input to assist us on this project. All comments will be reviewed and considered and included in the final report. Please feel free to pass the information about this project on to others that you believe might be interested in providing input or comments. The comment period will be open until adoption of the plan, which is tentatively scheduled to occur in the spring of 2021. An online survey is also available on the City's website at www.daytonohio.gov/ADAsurvey. A copy of the draft Transition Plan will be made available for public review and comment at local facilities and the city website and you will be notified when it is available.

Please forward any comments, questions, or input to the undersigned below via email at andrew.marks@daytonohio.gov. We thank you in advance and look forward to your participation and comments.

Sincerely,

Andrew Marks, Senior Engineer II
Division of Civil Engineering

ADA SURVEY

The City of Dayton is conducting a survey about accessibility in City programs and services. The survey consists of 11 questions; most respondents can complete the survey in three to four minutes. Participants remain anonymous (there is an opportunity to request contact by City staff, if desired). Thank you for taking time to help the City of Dayton collect this important information.

City of Dayton Accessibility Survey

Your participation will help the City of Dayton improve accessibility to programs and services.

Please answer questions using the options shown.
