**CITY OF DAYTON
INVITATION FOR BID (IFB) NO. JF26007
ADDENDUM #2**

Gaskets, O-Rings and Related Items

February 2026

At this time, the City, Division of Procurement will not be accepting any additional questions regarding this solicitation. All proposals submitted on or before the opening date and time will be considered for acceptance.

1. Is there an estimated usage for the parts? I am currently assuming (20) pieces of each part would be ordered at a time.

Answer: Assume 20 or less

2. We are assuming all gaskets are OD-ID "Ring" gaskets. Is that accurate?

Answer: This would be accurate. Many of these items have been added by other divisions.

3. Is #13 made from Buna-N material?

Answer: This is a fiber washer from our description.

4. Is #14 made from Red Rubber?

Answer: Please bid to the best of your ability.

5. Can you provide more information on #24 (OD, ID, If it has bolt holes, including: how many, size and centerline dimension)

Answer: The 2" Flange Gaskets that comes with the brass flanges. Please bid to the best of your ability.

6. Can you provide more information on #25 (OD, ID, If it has bolt holes, including: how many, size and centerline dimension)

Answer: The 3" Meter Flange we have is red rubber. We usually order in a batch of 100. Please bid to the best of your ability.

7. Can you provide more information on #37? From the description it looks like a 20" solid circle made from 1" foam. If this is accurate, what type of foam, specifically the density)

Answer: This is a White Foam Kneeling Pad – Material - 1 ½" MC 1900, Description - 20" Disc 1 ½" THK

8. Can we quote #44, 45, and 46 as per linear foot prices rather than by the pound?

Answer: Per linear foot is acceptable.
