

## July 14, 2020 Zoom Group Chat Comments

18:43:19 From Scott Bellavia : As a best practice, I think we should all mute our microphones while someone else is speaking. It helps with the reverb!

19:00:27 From Scott Bellavia : There's a second Scott!

19:10:37 From brian.johns : GO BUCKEYES

19:44:17 From Dormetria Thompson : Thank you for sharing, Jordan.

**19:44:57 From Dormetria Thompson : Were these same surveys given to other work groups with a few different questions based on their work group focus?**

19:49:41 From Scott Bellavia : The numbers we got, are purely from this closed group, regarding the survey?

19:49:56 From byron.branch : I believe that's what they are saying.

**19:51:27 From youssef elzein : Can Jordan reopen the survey and make filling it a priority for all members of this committee?**

19:53:58 From youssef elzein : Political affiliation can influence the results of any survey, specially related to race and policing. Is it possible to include political affiliation on the survey, and maybe make it anonumopus.

19:54:47 From youssef elzein : Anonymous

19:55:07 From Scott Bellavia : Are these five points?

19:55:27 From Jordan Lewis : These are broad themes within "community engagement."

19:55:55 From Jordan Lewis : And thanks everyone for feedback on the survey! I'm copying the group chat so I have all of those suggestions.

19:56:21 From Jordan Lewis : Police Authority

**19:57:12 From brian.johns : I think it is also important to address police engagement/relationship with young people**

**19:57:51 From gbuchanan@glenatstjoseph.org : Community Based Policing Programs are effective. We had this years ago and it was dismantled due to loss of funding**

**19:57:54 From Jo'el Jones : Could we include the questions, do we believe the Police are asked to do to much? Is public safety and community well-being the same? I think this question is important as we begin to explore how to move forward with public safety in our community.**

**19:58:27 From byron.branch : I concur Jo'el. Those are equally important questions that should be addressed accordingly.**

**19:59:56 From Dormetria Thompson : Shannon mentioned juveniles. What is the focus in regards to juveniles?**

**20:00:13 From Scott Bellavia : These are great points. I think we need to offer proactive tasks for the police to increase better community interaction.**

20:02:30 From Jordan Lewis : I will share this group chat as a Google Doc.

20:04:56 From Scott Bellavia : I have questions about actionables

20:05:58 From gbuchanan@glenatstjoseph.org : It would be great if we could choose a particular day of the week for planning schedules

20:06:21 From City Manager's Office : providing information as to the variety of ways our police engagement throughout the community aside from patrol would be a good homework assignment or something to review by the group

20:06:21 From youssef elzein : Our society is so polarized about this issue, that it is scary to me personally, that we will not get consensus if we do not have representatives from opposing party(s) that will feel disenfranchised and not included in this important conversation.
